

Family Connect Summer Resource Fair

WHAT:

- ❖ A resource fair to assist low-income/homeless families and youth in connecting with resources they might not otherwise have knowledge of
 - The timing of this event will allow families to gain knowledge of services that can aid them throughout the summer- when they would otherwise not have access to school resources
- ❖ To provide parents/guardians with services that stabilize the family- everything from low-income childcare, to food stamps, to DA family support, to food resources, etc.

WHEN & WHERE:

DATE & TIME: Wednesday, May 16, 2012, 2:00p- 7:00p
 WHERE: East Las Vegas Community/Senior Center
 250 N. Eastern Avenue, Las Vegas NV 89101

WHY:

Southern Nevada is seeing a new face of homeless with its current economic climate. Families that have never before had to access resources are now having to, without basic knowledge of where to start or what is available. This event will provide directional information and an introduction, linking clients to assistance that could inevitably stabilize them.

PARTNERSHIP:

This event is sponsored by the Nevada Homeless Alliance, in collaboration with the Regional Initiatives Office, Clark County, the City of Las Vegas, and the Clark County School District. This event will include the participation and leadership of local homeless service providers and community volunteers.
