

Catholic Charities Expansion of Service Hours

Good Afternoon,

Catholic Charities of Southern Nevada is very pleased to announce the expansion of service hours for our WIC Clinics, Migration & Refugee Services, Immigration Services, Homeless to Home program, and Hands of Hope Community Food Pantry.

Beginning Monday, May 5th [2014] our programs will be open 10 hours a day from 7:30am to 6pm, 6 days a week - Monday through Saturday. Please help spread the good news to your community partners so that people needing help and hope know we are available to assist them.

On Thursday, May 1st our newly relocated and remodeled Summer Day Shelter will open its doors to men, 18 years and older needing respite from the heat. Open from 9am - 5pm, 7 days a week - clients will benefit from showers, movies, board games, addiction classes, health screening & check-ups, employment counseling, online job applications and much more. Our Summer Day Shelter is located on our main campus at 1501 Las Vegas Boulevard North in our Residential Services building next to the Lied Dining Room, where a free community meal is served everyday from 10a to 11a.
